__________________________________________

CRITERIA FOR ACCELERATED STUDIES
The College considers the participation in Accelerated Studies a privilege and is open to students who display overall academic excellence. Before any student is considered for participation in the VCE program, they will need an average grading of 80% or above in ALL subject areas. These standards will need to be established in Semester 1 and maintained in Semester 2 of the year prior to beginning accelerated studies.

Please attach a copy of your Semester ONE report
