Students and parents are advised that text books are not required for VCAL although students are required to pay a $350 fee per year for curriculum development. This fee is due week 1 of Term 1, 2012 and an invoice will accompany a letter of acceptance into VCAL or Trade VCAL in Term 4. If you have any queries regarding the fee please feel free to contact Mr Gary Keet at the college.

This is the first stage of the application process only and students will be required for an interview to assess their suitability for VCAL.

During the interview, the following six criteria will be considered:

1. Clear interest in and suitability to an appropriate VET (TAFE) course
2. Application to current studies and the level of cooperation with current teachers
3. Previous experience and performance during Work Experience and/or Part-Time Work
4. Demonstrated ability to work independently
5. Demonstrated examples of team work, responsibility, and leadership
6. Suitability to ‘Hands On’ Applied Learning, as opposed to VCE

* You may bring any references (Academic, Professional, Work Experience, etc.) and/or support material to the interview (Awards, Certificates, Reports, Letters, etc.).
Please outline your reasons for wanting to study VCAL:

______________________________________________________________________________________________
______________________________________________________________________________________________
