INFORMATION COMMUNICATION TECHNOLOGY
NETWORK ADMINISTRATOR

An exciting opportunity exists for a Network Administrator at St. Francis Xavier College. The College is a dynamic and vibrant tri-campus Catholic Co-educational College, which serves the educational needs of approximately 1540 families in the outer south-eastern suburbs of Melbourne. Applications are invited from experienced Network Administrators with recent experience. The successful applicant would be required to commence duties in early April 2012 and will demonstrate:

- An understanding of, and commitment to, Catholic education.
- A proven record of success as an Information Communication Technology Network Administrator
- Excellent technical skills and relevant experience.
- Experience within a school environment would be highly regarded.
- A demonstrated capacity to meet all of the responsibilities of the Role Description.

A full role description is available for perusal.
