DEATH OF BISHOP JEREMIAH COFFEY
The death of Bishop Jeremiah Coffey signals the passing of a great servant of the Church. Bishop Coffey was born in the City of Cork, Ireland, on New Year’s Day 1933 and trained at All Hallows Seminary. He was ordained in June 1953 before coming to Australia in the same year. He was installed as Bishop of the Diocese of Sale in April 1998 and served until his retirement in 2008 at the age of 75. He had an amazing connection with people from all backgrounds and was an avid student of life. The Bishop has not enjoyed good health for some years, but continued to enjoy life and inspire those who had the good fortune of knowing him. Bishop Coffey will be farewelled at a Solemn Pontifical Mass on Tuesday, December 2 commencing at 11.00 am at St. Mary’s Cathedral, Sale.

May He Rest In Peace.

APPOINTMENT OF DEPUTY PRINCIPAL – HEAD OF BERWICK CAMPUS
With Ms Joanne Rock’s appointment to the position of Deputy Principal – Human Resources commencing in 2015, I have been advised of the appointment of Mr Jason Hibberd as Deputy Principal – Head of Berwick Campus. Jason is currently Senior Deputy Head of Campus and Head of Middle School at Haileybury College in Berwick. Prior to that, Jason has taught in a number of Catholic schools where he also held positions of responsibility. He has studied at The Australian Catholic University, La Trobe University, Deakin University and Australian College of Business & Technology.

BRING YOUR OWN DEVICE (BYOD) PROGRAM
For almost eighteen months we have been encouraging parents to be prepared for the commencement of the 2015 school year and a significant initiative in student learning. The BYOD program will come into full effect from day one of the new school year. I am currently collating a list of students who, at this point in time, have not registered their device with the College. This would suggest that a small, but worrying percentage of our students, have not been provided with this technology as required. This may be corrected come the start of the 2015 school year. In the near future, I will be writing to these parents to address this concern.

EL CAMINO
Our Yearbook has now been published and all students will receive a copy in the near future. I believe you will find the 2014 edition to be a wonderful read and I congratulate our editors, Mrs Nicole O’Brien (Staff) and Kristy Lee Quinn (Yearbook Captain), for their incredible work in bringing El Camino to the College community this year.

YEAR 12 VALEDICTORY DINNER
Congratulations to all involved in the Year 12 Valedictory Dinner last Thursday evening. With more than 600 students, parents and members of the College Staff in attendance at Sandown Racecourse Reception Rooms, it was a lovely way to bid farewell for a final time to our seniors. Mrs Vera Treloar oversaw all preparations and did a first class job in providing the families with a great night. My thanks also go to Mrs Melinda Reid, Mrs Leah Kloprogge and Mrs Jennie Laukart for their contribution to the success of the night.

BERWICK CAMPUS CHAPEL – BLESSING & COMMISSIONING
Fr Peter Slater will celebrate the Blessing and Commissioning of the Our Lady of the Southern Cross Chapel at our Berwick Campus on December 9. Commencing at 4.00pm, this celebration will be a significant one as the College and St. Catherine’s Primary School come together to officially ‘open’ this sacred space.

VICTORIAN STATE ELECTION
This Saturday, Victorians will elect representatives which will decide the outcome of
government in this State for the next four years.

Funding to all schools is again a crucial issue.
To enlighten parents before the vote I have attached information to this Newsletter,
provided to me by the Catholic Education Commission of Victoria, a copy of which will be
sent home with every student on Friday.

WE ARE PRAYING FOR...

Our colleague, Miss Lisa Vatta, and her family on the sudden death of Lisa’s
brother, Richard.

Mr Ron Barnett, father of Mrs Michele Knight, as he recovers from heart surgery.

Mr Terry Synan who is very ill at present.

Our colleagues - Sue Nichols and Liz Wilson

The colleagues and family of Bishop Jeremiah Coffey - May he rest in peace.

Our families and friends; that they keep safe and well.

FROM THE BUSINESS MANAGER – MS SONYA SLOCOMBE

2014 Education Fees are now due and payable
It is strongly recommended that parents who will not finalise their account
by November 30 2014, or do not currently have a payment arrangement/
direct debit in place, contact

Mr Conor McAleese Finance/Administration Manager.
Alternatively, if you are experiencing financial difficulties,
please do not hesitate to arrange a meeting to discuss payment options.

2015 Education Fees & Bus Information
 Packs regarding the 2015 Education Fees
and the 2015 Bus Information have been mailed to parents.
Please act quickly on the Expression of Interest
for registering your use of the Private Bus Service for 2015,
as this opportunity closes on Thursday December 4 at 4.00pm.
KWONG LEE DOW YOUNG SCHOLARS PROGRAM

The University of Melbourne’s Kwong Lee Dow Young Scholars Program is an academic enrichment program designed to support high-achieving Victorian and selected New South Wales and South Australian border school students. Students are selected into the Program while in Year 10, and retain their status as Young Scholars through their Year 11 and 12 studies and the first-year of university, if they choose to enrol at the University of Melbourne. The Program is a three-year program designed to assist students in realising their full potential through creating a network and community of students.

This year there were over 1900 applicants, and I am delighted to report that Uaan Schoevers has been accepted into the program. In support of her application, Uaan’s House Co-ordinator, Mrs Jan Rankins, wrote that Uaan had obtained her Gold Star in Year 9. She is modest and does not push herself forward but participates in whatever she can. She is a quiet achiever who is very focused on her academic goals. Uaan is always well-groomed and abides by all College rules and regulations. She is an excellent role model.

The Kwong Lee Dow Young Scholars Program will give Uaan the opportunity to mix with like-minded peers and future leaders. A tailored program of events and activities will support and enhance her secondary studies, inspire her career plans and provide opportunities to interact with the University community.

Congratulations Uaan! We know that you will be a wonderful ambassador for St. Francis Xavier College.

CHRISTMAS MESSAGES

As this is the last Newsletter for the year I would like to leave you with the Christmas message from two popes – one from 1959 and one from 2013. Both messages speak of the search for peace in oneself, in the community and in the world.

CHRISTMAS MESSAGE OF POPE JOHN XXIII – December 1959

We reflect that the road to Bethlehem truly marks the path for the right approach to that peace which is on the lips, in the eager desires and in the hearts, of all. We hear an unending invitation, then, to hasten our steps along the roads to Bethlehem, which are the roads of peace for us. The fact is that true peace cannot come save from God. It has only one name: the peace of Christ. It has one aspect that impressed on it by Christ who, as if to anticipate the counterfeits of man, emphasized: “Peace I leave you, my peace I give to you” (John 14:28).

CHRISTMAS MESSAGE OF POPE FRANCIS - December 2013

The grace which was revealed in our world is Jesus, born of the Virgin Mary, true man and true God. He has entered our history; he has shared our journey. Jesus is Love incarnate. He is not simply a teacher of wisdom, he is not an ideal for which we strive while knowing that we are hopelessly distant from it. He is the meaning of life and history, who has ‘pitched his tent’ in our midst.

I take up the song of the angels who appeared to the shepherds in Bethlehem on the night when Jesus was born. It is a song which unites heaven and earth, giving praise and glory to heaven, and the promise of peace to earth and all its people. I ask everyone to share in this song: it is a song for every man or woman who keeps watch through the night, who hopes for a better world, who cares for others while humbly seeking to do his or her duty.

True peace - we know this well - is not a balance of opposing forces. It is not a lovely “façade” which conceals conflicts and divisions. Peace calls for daily commitment, but making peace is an art, starting from God’s gift, from the grace which he has given us in Jesus Christ.

Looking at the Child in the manger, Child of peace, our thoughts turn to those children who are the most vulnerable victims of wars, but we think too of the elderly, to battered women, to the sick... Wars shatter and hurt so many lives!

I hope that all families will find some time to pray and play together, and may the spirit of Christmas fill our homes with hope, love, joy and peace.
2014 VALEDICTORY DINNER
It was a privilege to attend the Year 12 Valedictory Dinner with students, parents and staff last Thursday. These young men and women have worked towards the completion of VCE/VET or VCAL studies. Photos from the Graduation Mass and Valedictory Dinner may be viewed on www.boxpix.com.au Now we eagerly await the release of results on December 15. We hope to see many Year 12 students at the College on this day (10.00am-12.00pm). This will be a great opportunity to meet informally with friends. Students wishing to discuss their result with the Careers Counsellor may do so privately.

Traditionally, the graduating Year 12 class selects a Legacy Gift for the benefit of the St. Francis Xavier College community. This year, our students have elected to purchase a fountain to be located on the Beaconsfield Campus.

2015 CLASSES
Year 10 and Year 11 students have participated in Unit 1 3 2015 classes. They have conducted themselves in the appropriate manner and are expected to complete all tasks as assigned by staff. Students will be dismissed at 3.20pm on Friday November 28. Yearbooks and Semester 2 Reports will be distributed during afternoon Care Group. I wish you all a safe and happy holiday.

WHITE RIBBON DAY
Students and staff have participated in White Ribbon events in the lead up to White Ribbon Day on November 25. We explored myths, shared information and discussed strategies in order to speak out about violence against women. Thank you to all students and staff who purchased a ribbon or wristband. Each student and staff member wrote a message of support on white ribbons on November 25; the display on our fence acts as a visual reminder that we must all endeavour to break the silence and speak out in support of this worthy cause.

What is White Ribbon?
The White Ribbon Campaign is the largest global male-led movement to stop men’s violence against women. White Ribbon is an organization that works to prevent violence against women by changing attitudes and behaviours. In Australia, White Ribbon engages and enables men and boys to lead this social change by using a combination of social marketing, the Ambassadors Program and prevention initiatives in communities, schools, universities, sporting codes and workplaces.

What can you do to stop this violence?
• Swear the Oath online.
• Reflect on your attitudes and behaviours towards women.
• Challenge sexist attitudes and behaviours.
• Break the silence by talking to your mates and being heard on social media.
• Encourage mates using violence in their relationships to get professional help.
• Listen to friends who are experiencing violence and encourage them to seek help.
• Volunteer or host a fundraising event.
• Make a donation to sustain White Ribbon’s work.
• Support White Ribbon Day (November 25), the UN International Day for the Elimination of Violence against Women by wearing a white ribbon or wristband.
• Call the Police on 000 if you see or hear someone being violent. Never put yourself in danger or challenge violence with violence.
• By providing a clear message that men will not tolerate violence against women, the White Ribbon Campaign starts the ball rolling in removing this form of human rights abuse from our community.
VCAA EXAMINATIONS
This year our students presented for examinations in 46 VCE subjects over 16 days. We congratulate them on their efforts and look forward to celebrating their achievements when the results are published on Monday December 15.

The College is very fortunate to have a wonderful team of VCAA supervisors led by Mrs Tricia Randle who oversee this important final stage of a student’s secondary education.

VCE 2015

2015 Year 11 and Year 12 Studies formally commenced on Monday November 19 for the current Year 10 and 11 students.

In these first two weeks of Semester One the majority of students, although tired from the examination week, have responded positively and diligently to the many tasks set by teachers in class and for homework. The guidelines for performances and assessment have been clearly established and work to be completed over the summer break has been set and explained in detail. These HOMEWORK TASKS are compulsory and will be assessed to contribute to Unit 1 and Unit 3 results. Students are reminded to log on to MOODLE over the break if clarification is needed and to ensure that they complete every aspect of the tasks before they return to school.

Parents and students are also reminded of the College’s Attendance Policy (as supported by VCAA) and advised to ensure that any absence from these classes has been ‘approved’.

As a result of this two week program, students will return in early February ready to begin Week 3 of their courses, with all the preliminary work and administration well behind them. This has been a very valuable opportunity to devote the final weeks of the school year to meaningful instruction time and to practise the skills, concepts and thinking required in VCE.

SPECIAL PROVISIONS APPLICATIONS
Any student who applied for and was awarded Special Provision in 2014 (according to VCAA rules) must speak with their relevant House Co-ordinator. Special Provision will not automatically be granted in 2014. A student’s House Co-ordinator is the best person to advise families about the information required to support an application for 2015. He or she will work closely with parents and, if required the school counselors, to ensure that any application made to the Director of Learning/VCE will meet the VCAA requirements.

As the year comes to a close I would like to sincerely thank all the students and parents with whom I have worked this year. I am particularly grateful for the energy and skills of Mrs Christine Miller, VCE Administrative Officer VASS and Accelerus expert, for her patience and dedication to the many and varied needs of staff and students.

May God be with you all during the festive season, please stay safe and happy until we all return in 2015.
FINISHING OFF THE YEAR ON A POSITIVE NOTE
Recently I have felt the need to remind students about finishing their year on a positive note. For some Year 9 students, the excitement of moving on to the Beaconsfield Campus can actually blind them to the fact that they need to stay focussed on their final assessments for Year 9.

I am sad to report that some students see the end of the Year as an excuse to lose focus and get involved in silly and sometimes inappropriate behaviour. I have warned all Berwick Campus students that if they are involved in inappropriate behaviour there are consequences they need to be prepared for. If a student leaving the College at the end of the year does not adhere to the College expectations, they could be asked to leave early. If a student who is remaining with us does the same, they may be asked to return to school on December 8 or 9 to undertake community service.

I urge all parents to speak with their children about College expectations and the possible consequences. Students need to know their parents will support the College to ensure the end of the year runs as smoothly as possible.

We have changed the outline of the day for our Year 9 students on Friday November 28. House time will be before recess; then at 11am Year 9 students will travel to Beaconsfield Campus for a Mass of Welcome at 11.30am. Year 9 students from Officer and Berwick will be welcomed by the 2015 Year 11 and 12 students and Mass will be celebrated. At the end of Mass, Mrs Treloar will speak with the students about Orientation week. We will then return to the Berwick Campus and have our Final Farewell Assembly at 2pm. All students will be dismissed at normal time.

Travel arrangements for Year 9 students during Orientation week at Beaconsfield NEXT WEEK
Mrs Treloar has informed parents and students via a letter sent home about the arrangements in place for Orientation Week at the Beaconsfield Campus. In this letter, Mrs Treloar addressed some frequently asked questions, one of them about transport for that week. If you did not receive this letter, please contact the office at either Berwick or Beaconsfield and arrange for one to be sent to you.

Students have been asked to use the bus or train they will use in 2015 to get to the Beaconsfield Campus. If it is a school bus, then please refer to the Bus Booklet for 2014 found on the College website. If you drive your child to the Berwick Campus, or they walk to the Berwick Campus from home, the shuttle bus service from Berwick is operating at no charge, and no pass is needed. Shuttle Bus 3 departs from the Berwick Campus at 8.15am SHARP. If students miss this shuttle, they will need to make their own way to the Beaconsfield Campus.

Congratulations and Thank you to all of our Berwick student leaders
I would like to take this opportunity to thank all Berwick student leaders. They have done a fantastic job this year. Isobelle and Josh have set a wonderful example of what it means to be involved and approachable Campus Captains. They have been excellent role models for other students and have set the bar high. The Liturgy, Justice, Sport, House Captains and SRCs have also demonstrated excellent leadership. I do want to also mention the wonderful work our Tour Guides did in showing our College to new families. After every tour, the feedback regarding the tour guides was always positive and complimentary. Well done, one and all!

CORE GROUP CHANGES FOR 2015
This is the time of the year we take a close look at our Year 7 and 8 Core Groups, making changes that will improve the effectiveness of the groups. All staff have been asked for recommendations, and the House Co-ordinators have had discussions with some parents about making a fresh start next year. I cannot take requests for students to be placed together, but I always act on separating students, and for this to occur, other students need to move. I make use of all this information when creating the new Core Groups for the following year. It is a complex and challenging task and many factors are taken into consideration. Please take a positive approach with your child when discussing change, as it is important that we teach our young people to be resilient when it comes to things over which we have no control; such as which Core Group they will be in for 2015. Our young people will take their cues from the significant adults in their lives – if we can reassure them that change is good and it’s not the end of the world, then more often than not, they will feel comforted. If they cannot take comfort from your response, this might be an indicator that they need some assistance in building up their resilience by facing adversity with courage and hope.

FINAL WEEK FOR YEAR 7 AND 8 STUDENTS
Please be mindful that our Year 7 and 8 students finish the Academic Year on Friday December 5 at 3.25pm. The programme for these Year levels is as follows:

| Monday December 1 | NO SCHOOL |
| Tuesday December 2 | Normal classes |
| Wednesday December 3 | Normal classes |
| Thursday December 4 | Year 7 Water Safety Day |
| Thursday December 4 | Year 8 Healthy Relationships Day |
| Friday December 5 | Normal classes Period 1 & 2; Combined Mass at Beaconsfield Campus with Officer students; lunch then clean-up/House time from 2.00-3.25pm |

As this is the last Newsletter for the year, I want to take the opportunity to wish all members of the Berwick community a very happy and safe festive season spent in the company of loved ones. The year has flown and we find ourselves preparing again for our summer break. I want to thank all of you who have worked with and supported us for the benefit of your children. My wish for you all is that your holiday period is relaxing, enjoyable and allows you the time to reflect on 2014 and prepare for the challenges that 2015 will bring.
St. Francis Xavier College’s Presentation Night is tonight!

This is one of our major College celebrations, and one of the few opportunities when our whole College community gathers together in celebration to acknowledge the achievements and efforts of students from all year levels at our three Campuses.

Presentation Night for 2014 will be held at Robert Blackwood Hall, Monash University, Clayton, Thursday November 27 at 7.30pm. Presentation Night is for all students and their families. Last minute tickets are available via the College Moodle page (lms.sfx.vic.edu.au) and are free of charge using the print at home option.

ORIENTATION DAY FOR YEAR 7 2015 STUDENTS

Orientation Day for Year 7 students starting in 2015 at Berwick and Officer Campuses will be held on Tuesday December 9. Students will receive information about the following year, explore their Campus and experience a day in the life of a secondary school student.

VICTORIAN SCHOOLS’ RUGBY UNION

2015
10th Triennial U/16 UK, EUROPE & IRELAND TOUR

PARENT INFORMATION NIGHT

WEDNESDAY 3rd DECEMBER 2014

The Eldon Hogan Performing Arts Centre
XAVIER COLLEGE, BARKERS ROAD, KEW
(Enter from Charles Street and it is the first very new building)

7.30pm - 8.30pm

It is imperative that any parent with a student with any interest should attend. This is an information session only - no commitment necessary.

In 2012 St. Francis Xavier College had three students and one staff member participate in this tour.

For more information contact Mr Troy Coggins at the College.
It doesn’t seem possible this is the last Newsletter of the year but indeed it is, and the academic year has almost come to an end. It is timely to offer thanks to God, for the gift of our entire College staff, students, parents and friends, who have all been faithful and generous to keep the light of wisdom and knowledge alive across the Campus. Some of us during this year have shared experiences, struggles, insights, challenges and discoveries among ourselves and others to become more connected with the greater glory of God.

Of particular note in this last week has been the Graduation of our Inaugural Year 9 Class. This fine group of young people have impressed us in a variety of ways during their time at the Campus. We wish them well for their transition into the Senior Campus. They have been wonderful leaders and we strongly encourage them to always be leaders in their school and other community groups.

On behalf of the staff and students I would like to extend a special ‘Thank You’ and a fond farewell to our Principal, Mr Paul Desmond. We thank you for your personal commitment to the new educational vision that is the Officer Campus; for your enormous drive and enthusiasm and sheer hard work; for your leadership and capacity to gather fellow supporters on the journey with you; and for your ongoing interest in our Campus, whose stewardship we are so privileged to take forward on your behalf. May God bless you and keep all of your family close.

Let me conclude by offering my appreciation for all the personal support and encouragement offered to our staff throughout the year by the College community. My thanks to the wonderful leadership teams at the Campus, they are great educators and leaders and they serve our College very well. My thanks also to the staff who give so generously and provide such wonderful opportunities for learning and growing. The staff and I look forward to the students return to the Campus in 2015.

CHRISTMAS BLESSINGS
As we commence the holidays I wish all families a well-earned rest from the school routine. In the midst of these frantic final weeks before Christmas when so many other things can distract us from what this grace-filled feast is really all about, let’s take a moment to find time for both prayer and solitude, finding God within you and around you. May Christmas be a special time of hope, peace and love for you and your family.

May the blessing of Christ, word made flesh, be with us
May Mary, courageous amidst the unknown, help us love
May Joseph, noble in time of challenge, show the right way
May shepherds, who know theirs, call and protect us
May Magi, wise guides who journey and celebrate, come and counsel
May angels from heaven sing in our heart and unite us from afar
May the Christmas story live, live in us!

BENENSON SOCIETY – EBOLA CRISIS FUNDRAISER – REPORT BY MRS NICOLE LUCAS
On Wednesday November 12, a group of enthusiastic students held an Ice-Cream fundraiser to raise money for the current Ebola crisis in West Africa. With temperatures reaching into the high 20s the ice-cream was popular amongst the students and was sold out in no time. In addition to this, the students also organised a Jelly Bean guessing competition in the week leading up to the ice-cream sale. Congratulations to the combined winners Jayden Silva (Year 7), Mr Yap and Mr Broadhurst. There were 411 jelly beans in the jar and they each guessed 410.

The combined activities raised a fantastic total of $170.30. The money raised will now be donated to Caritas for their Ebola Outbreak Response Appeal. Congratulations to the following students for their wonderful efforts and commitment for this very important fundraising cause; Annah, Dalia, Yar, Meti, Jugo, Matilda, Lizzie, Theresa and Emma... Well done girls.
HOUSE DEBATING AT OFFICER – REPORT BY MRS NICOLE SHERIDAN

The Officer Campus has shown commitment and enthusiasm to House Debating this year. We had all Houses participate and show their competency in delivering structured arguments and on the spot rebuttal. All year levels were represented with best speaker awards going to students from Years 7, 8 and 9.

Gallagher, Synan, Burgess and White advanced from the first round, with the topic ‘That child beauty pageants should be banned in Australia’. It was in the second round with the topic ‘That money corrupts sport’ in which Synan overcame Gallagher and White defeated Burgess. The final two Houses, Synan and White, tackled the highly challenging topic ‘That torturing terror suspects can be justified’. In the end Synan House was the stronger team and walked away with the title of Officer Debating Champions 2014.

SINGACUP INTERNATIONAL YOUTH SOCCER TOURNAMENT WIN – REPORT BY STUDENT ZOE THOMAS

For ten weeks I trained hard with other girls from Victoria as we prepared to play in the SingaCup, an international youth soccer tournament held in Singapore. This year’s event saw over 50 teams from Indonesia, Australia, Malaysia, Philippines, India, Thailand and Singapore gather to compete for the Cup.

On the day of the final we were all pumped and ready to play. This was why we were there. We were there to win the Cup. After a nervous and excited warm up we were on the field ready to play. It was a tough game and no one scored first half. We were starting to get nervous. We knew that the team that would score in the second would basically win the game. And around the middle of the second half our Captain had a shot from outside the 18 yard box and scored. I don’t think I have ever been so excited and happy and crazy in my life. There was only around 5-10 minutes to go and we knew then that we had won. The whistle went and we all ran onto the ground and cheered and celebrated. It was a moment that will stay with me forever. The game ended with us winning 1-0. After the game we were presented with our medals and the Cup. It was such an amazing feeling. I am so lucky to have had this opportunity to be a part of the team that won the Cup in the SingaCup International Youth Soccer Tournament.
The academic year for 2014 is all but gone.

Teachers and students are busy finalising assessment results for reports – to be posted out on December 11.

Reports in 2015 will undergo some changes in response to feedback we have received. Mid-Semester reports (Interim reports) will focus on providing written feedback to students regarding specific skill developments recommended for each subject. Semester reports will focus on the numerical results achieved for Semester assessment tasks.

Our current Year 9 students have begun the transition process to the Senior Campus at Beaconsfield, where they continue their journey and preparation for life after school. We wish them every success in coping with the changes they will experience.

Our current Year 7 and 8 students will become the leaders in 2015, who will provide a positive transition experience for a slightly larger Year 7 cohort of about 196 students.

We look forward to a new exciting year in 2015 – Merry Christmas to all.

**Congratulations to our 2015 ACADEMIC ENDEAVOUR RECIPIENTS**

Resources for the Mathematics classroom in 2015

The College will be implementing a compulsory BYOD program in 2015, and I thought it would be useful to highlight the options related to textbook resources in Year 7, 8, 9 and 10 classes. The following two options will be available on our College booklists.

Option 1: Pearson Maths Combo Pack
Consists of a Student textbook, Homework Book and eBook 3.0 (digital version of textbook with access to additional interactive and Pearson Places website)
Price: $81.10

Option 2: eBook 3.0 only
(Digital version of textbook with access to additional interactive and Pearson Places website)
Price: $45.70

Note: if selecting this option, the Homework Book must be purchased separately.
Price: $12.50

When you purchase a Student textbook and/or digital access, activation of the eBook 3.0 is done through Pearson Places with the College supplied student email address and the digital access lasts 15 months.

Activation details (instructions and access code) are located on a sticker inside the back cover of the textbook. It is essential that this is not lost – ESPECIALLY IF YOU PLAN TO ON-SELL THE BOOK AT A LATER TIME.

The following option relates to second-hand textbooks and the facts for digital access.

Option 3: Second-hand textbooks
If purchasing a second-hand book, the Homework Book must also be purchased separately and it is expected students will also have digital access.

If you purchase a second-hand textbook, the access code can be reused, however it needs to be re-activated through Pearson Places with the College supplied student email address and costs $20 each time (Payable via credit card through the website).

The access code can be re-activated three more times beyond the first time, that is, a total of four times.

Pearson Places website is

Calculator requirements for 2015

CAS Calculator (Senior and Advanced Mathematics classes)
Students in the following classes are required to use a CAS Calculator as part of their studies in Mathematics next year and beyond.

- Year 9 Advanced Mathematics
- Year 10 Advanced Mathematics
- Year 10 Core Mathematics
- All VCE studies in Mathematics (excluding Foundation Mathematics)

The calculator will remain with the student throughout their senior years at the College.

Students planning to study Year 10 Essential Mathematics next year are not expected to purchase a CAS Calculator. The standard Green TI 30 XB Scientific Calculator the students use in Junior Mathematics classes will be suitable for the Year 10 Essential Mathematics course.

To assist our families, the College will continue to work with our calculator supplier Haines Educational to supply the calculator and adaptor at extremely competitive prices. An additional benefit for purchasing through our supplier is that students receive a free 3-year warranty, which for most students, will last the remaining years of study at the College. Purchase instructions are available through the attached documentation (which students have been provided with). Ordering is made through the Haines Online Calculator Portal as per the instructions provided. Please note the dates that the Portal is open for and the dates the calculators are to be delivered to the College. Ordering outside these dates may result in a delivery charge to you.

It is possible that an earlier model CAS will be sufficient for our courses, such as those purchased second hand or handed down from an older sibling.

Scientific Calculator (Junior Mathematics classes)
The suppliers also offer the standard Green TI 30 XB Scientific Calculator that is used in the Junior level classes at the College. Parents also have the option to purchase this calculator through the portal. This is useful for families that may need a new calculator for a Year 7 student in 2015 as the price offered is a significant saving.

If there are any queries about the Calculator Portal, feel free to contact Haines Educational during business hours on 8736 6000 or general queries can be directed to Joe Marsiglio at the Beaconsfield Campus on 9707 3111.
ST FRANCIS XAVIER COLLEGE

Calculator Portal Instructions

(Your Portal Access code is sfxc)

We now offer a simple method for students to order the following calculators at competitive prices.

- TINspire CAS CX with Free 3 Year warranty and Wallet $185.00
- TINSpire Adaptor $9.90
- TI30XB Multiview $20.00

First Delivery 2/12/2014 and Second Delivery 3/2/2015

It’s easy, just follow the steps below.

1. Go to the Haines Educational home page at www.haines.com.au
2. Click on portal link (underneath the My Cart box) halfway down page on left side
3. Enter code sfxc (lower case only), School portal page will be open
4. Follow the instructions and add your required calculator package
5. Check that details are correct in MY CART (yellow box on left), proceed to checkout
6. Ensure that the Student’s Name is entered (required for delivery at College)
7. Add details, address and contact number (Ignore any ticks in boxes as delivery will be to College)
8. Complete payment method (Mastercard or Visa only available)
9. Click on Place Order, (a confirmation email will be sent to you, retain for collection/taxation purposes.
10. Click on return to home page. (at top of page) Order completed

If you have any questions please contact Haines during business hours on 03 8736 6000.
The BYOD program will be compulsory for all students next year and following the success of the March BYOD Expo, we have arranged another Expo to be held on Tuesday December 9 from 9am to 7pm in the Beaconsfield Hall foyer. This is also orientation day for the 2015 Year 7 students, so it is expected that new parents will be in attendance at the Expo at the beginning and end of the Orientation Day. Parents of existing students are, of course, welcome to attend at any time.

We have invited suppliers who will display tablets and laptops from manufacturers such as Apple, Acer, HP, Lenovo and Dell. There will also be a selection of bags and covers for perusal. Parents are welcome to purchase, browse or compare all items.

Any transactions will be a matter between yourself and the supplier.
Students have embraced the use of BYO devices when presenting their work. I have recently found in a range of classes that students are making the most of opportunities to draw on their technological knowledge to present assessment pieces in innovative and creative ways.

Last Term my Year 7 Geography classes were studying sustainability. As part of this concept they were working collaboratively to research Australian heritage listed sites. I had a series of 10 questions to guide their research but how these presentations were formatted was entirely up to the students.

What I received was a range of interesting formats showcasing a range of skills specifically tailored to the devices that the group of students chose to use. Whilst I did receive some traditional posters, the majority of students’ work was presented in digital formats. They created websites, Prezi presentations and most excitingly, perhaps, was the documentary movie that was produced by three boys.

Jakem, Jacob and Jett in 7 Bourke chose to think outside the box to present their research. They took on the roles of a Bear Grylls style adventurer as the show’s host, an uninformed guest and a bystander as they engaged with the work in a fun way. Their excitement at the format drove them to complete high quality research too, ensuring that their understanding of the selected heritage listed site was developed in depth as well as their ICT skills. The flow-on effect to their classmates was also strong. When watching this presentation, the class was clearly more interested in the students’ every word, ensuring that they too were taking on meaning from the presentation.

Overall the BYOD program is opening doors to more engaging formats of presentation which has benefits to students in a range of ways. It makes learning fun and engages them in presenting their work.
Year 7 students from both the Berwick and Officer Campuses have attended a swimming program at the Croydon Memorial Pool during the past few weeks. The Berwick students were split into two groups, with half participating on Monday November 17 and the other half on Tuesday November 19. The Officer students took part in the program on the Friday the week before.

Students took part in several activities, including CPR lessons and demonstrations, water rescues, water-awareness and activities to assist them when facing dangers and hazards when swimming in open water. Students were also instructed on safety around water. All students thoroughly enjoyed the program. The Year 7s will continue their swimming training/lessons with a water safety day, which will be taken place next week.

Term 4 Weekly SIS Sport was a very successful one for St. Francis Xavier College. As a result of our terrific performances, five of our teams finished their competitions on top – taking home the pennant.

The highlight of the SIS Sport competition was the last round match in the Junior Boys Cricket competition. This match saw the undefeated Berwick and Officer teams facing off in a grand final match. There was a huge build up, with a trophy being made the occasion. The game was a very see-saw affair with the Berwick team coming away with a comfortable victory by 60 runs.

Congratulations to all the teams for their performances and also a very big thank you to the coaches who gave up their time to coach and train the teams.

NEXT MEETING: **February 2015**
2015 Parent’s & Friends meeting dates will be published in next year’s Newsletter.

“Merry Christmas and best wishes for a Happy New Year to Mr Desmond and all the staff, students and families of St. Francis Xavier College community.”

**THANK YOU**

The Parents and Friends association wish to acknowledge and thank Mr Paul Desmond for his support, commitment and contribution to St. Francis Xavier College and to the P&F committee. We wish Paul and his family all the very best for Christmas, the New Year and all future endeavors.

We also wish to thank Lorraine Macreadie for her outstanding effects and commitment to the P&F Association for the last 10 years. Lorraine will be missed and we wish her and her family all the very best.

Thank you to Mrs Kay Spencer, all the wonderful office staff, parents and students who helped and assisted us during the year; your help and support is really appreciated.

helpful tips
• Be patient many new items are listed each day
• Listing Wanted and For Sale Ads gets results
• Our unique Ad Matching Service shows you who to transact with, and will save you lots of time
• Be realistic when pricing items
• Telephoning sellers provides a quicker response as many people do not regularly check their emails
• Pre-arrange who to transact with if your items are still being used and write the availability date in your Ad
• Respect other browsers and remember to Delist your Ads promptly when no longer needed
• Meet somewhere convenient to transact, don’t make special trips and just fit it in to your normal activities
In Term 1 2015, St Francis Xavier College will host three Japanese boys from Meiho High School for nine weeks. The students will attend school, study, socialise and spend time practising English with St Francis Xavier College students. This will be a wonderful opportunity for families to host a student and learn about the Japanese culture and make new friends.

**THIS OPPORTUNITY IS OPEN TO ALL STUDENTS IN ALL YEAR LEVELS.**

Some points to note:  
* Students do not have to have their own bedroom.  
* You do not have to cook Japanese food.  
* Cultural information and full support is provided by AIIU Group Co-ordinator

If you are able to offer accommodation* for a boy from  
**Tuesday January 27 to Saturday March 28, 2015**

please complete the reply slip below and return it to reception at any Campus as soon as possible. For further details please contact Mrs Bamford on 9702 6588 or email kbamford@sfx.vic.edu.au

*A tax free stipend of $30 per night is offered to host families ($210.00) per week to assist with hosting costs.

Thank you  
Mrs Kate Bamford  
Head of Department - LOTE

Dear parents,

I am pleased to announce that both the incumbent Liberal-National Coalition Government and the Australian Labor Party Opposition have made a commitment to legislate annual funding for each child in Catholic education and link it to 25 per cent of the cost of an education in a government school.

Both major parties also committed to financing the development of new non-government schools in growth areas, as well as crucial upgrades in existing schools, at a cost of $120 million over the next four years.

This is cause for great celebration. In simple terms, it means every Catholic school can better plan for the long-term development of its students, safe in the knowledge that there will be secure funding from the State Government.

Your support, together with the dedication of our principals and parish priests, has placed Catholic education in the strongest possible position leading into the Victorian election.

With unprecedented enrolment growth and an unwavering commitment to do what’s best for our students, we were able to negotiate bi-partisan support that guarantees our system remains a high-quality contemporary education that is affordable to all.

**Bipartisan guarantee to legislate funding**

- **$120 million for school buildings**

Catholic education worked hard in the lead up to the 2010 Victorian election to gain the funding deal we have enjoyed over the last four years. To have that agreement legislated in Parliament means our funding arrangements are no longer short-term deals tied to the election cycle. From now on, when the government puts more money into state schools, Catholic schools will immediately share in the benefits as well.

Once again, I congratulate you for the important part played in this success. Our political leaders understand you are prepared to stand up for what is right, fair and just for your children.

Catholic schools are committed to ensuring parents can afford to choose the right school for their child. We have provided a very clear message to our political leaders, which they have heard loud and clear.

I thank you for your continued support.

Best wishes,

Stephen Eldar
Executive Director, Catholic Education Commission of Victoria Ltd
THE GREENS

While both major parties have made historic long-term commitments to fund Catholic education in 2016 and beyond, the same cannot be said of the Greens. Catholic education has sought commitments from the Greens to make the existing funding arrangement permanent and ongoing, and to provide capital funding to assist us with building maintenance and expansion in growth areas.

In their response, the Greens were non-committal about the level of funding Catholic schools could expect to receive under their policies. The Greens do not distinguish between Catholic schools and other non-government schools. This ignores the historic role Catholic education has played in delivering a high-quality, low-fee education that is accessible to families.

The Greens position is to push for the establishment of a bureaucratic body to determine whether Catholic schools deserve funding. Funding for schools would take into account the 'total resourcing and assets' of each school. We are most concerned that the need of a school community could be measured through the value of its land and not the needs of its students. This approach is likely to adversely affect many Catholic schools.

Any reduction in funding could place unfair upward pressure on fees. This would jeopardise the ability of many families to choose a Catholic school for their children, and compromise Catholic education's ability to continue to provide a quality education at an affordable cost.

"Our message is simple," Executive Director of Catholic Education, Stephen Elder, said. "Think very carefully when casting a vote for the Greens. Based on their own policy advice the quality of your children's education cannot be assured. Giving the Greens the balance of power could jeopardise the commitments made by the major parties."

CATHOLIC EDUCATION HISTORY

Catholic education has a long and proud history in Victoria. Following construction of our first school in Geelong in the 1840s, others soon followed in line with Bishop Goold's call-to-arms to the congregational orders in Ireland for assistance. Many brothers and sisters were encouraged to make the long trip to Australia to educate the poor and needy by providing much-needed schooling in the young colony.

The development of Catholic education was impacted by the Education Act of 1872. Among other things, this effectively ended the provision of religious instruction in government schools. Fast-forward to the 1960s and Catholic education again experienced significant growth in enrolments, which were boosted by large-scale, post-war European migration.

During the 1960s and 1970s, Catholic schools struggled with a lack of funding and buildings. This did not meet the standards expected by the wider community. The introduction of funding support by successive Victorian and Australian governments since then has helped to alleviate significant financial pressure on the Catholic system and parents in our schools.

In 2010, Catholic education was successful in securing a four-year funding agreement with the State Government at a rate of 25 per cent of the average cost of educating a student in a government school. This has provided a fair amount of funding for Catholic schools, allowing for an accessible system and strong growth in enrolments.

Over the history of the sector we have been fortunate to receive the support and direction given by the clergy and laity. This has included archbishops, bishops, parish priests and the congregational orders, all of whom have made a significant contribution to our school system in Victoria over many years.

The names of some individuals who were instrumental in forming the system we now enjoy include James Goold, Thomas Carr, Daniel Mannix, Justin Simmonds and James Knox, the first five Archbishops of Melbourne. The Catholic education system is in debt to the passion and determination these individuals had to provide Catholic families with the option to choose a Catholic school for their children.

Today, Catholic education in Victoria is enjoying unprecedented growth, with a total of 206,000 students across 467 schools.
State support for building works in Catholic schools for the first time

CAPITAL
After working closely with all political leaders, Catholic education secured a significant boost in late October, with both major parties committing to financial assistance towards the development of new schools and crucial upgrades to existing schools.

Over the next four years, Catholic schools will access a large share of $120 million in building and upgrade funding. This commitment will assist in providing adequate infrastructure to support evolving curriculum needs. It will also ensure that our school infrastructure meets the expectations of a 21st-century education system.

Importantly, Catholic education will be able to meet the increasing demand for school provision in the growth corridors of outer-metropolitan Melbourne and in growing regional areas. In order to meet projected enrolment demands, capital costs for Catholic education over the next decade are expected to reach $2.4 billion. A significant proportion of these costs will facilitate expansion into new communities in those growth corridors.

'The commitment of both Labor and the Coalition to provide capital funding for Catholic schools will provide a huge relief for our parents, and shows a genuine understanding of the low-fee, high-quality education our schools provide,' said Executive Director of Catholic Education, Stephen Elder.
