Child Safety Code of Conduct

“I am the Way, the Truth and the Life” (John 14:6)

St Francis Xavier College is a Catholic community that is educative and supportive. We have a clear purpose: the development of a person of competence, conscience and compassion formed in the Christian tradition; one who is guided by a sense of hope and self-belief and who will be of service in the world. We recognize God’s presence in our lives by celebrating and pursuing personal excellence and by living courageously with optimism and respect for all. Central to the mission of St Francis Xavier College is an unequivocal commitment to fostering the dignity, self-esteem and integrity of children and young people and providing them with a safe, supportive and enriching environment to develop spiritually, physically, intellectually, emotionally and socially.

A Child Safety Code of Conduct lists behaviours that are acceptable and those that are unacceptable. It provides a high-level statement of professional boundaries, ethical behaviour and acceptable and unacceptable relationships. For more detailed guidance refer to the College’s Staff and Student Professional Boundaries Policy.

When individuals are clear about behavioural expectations, they are much more likely to act appropriately with each other and with children. When everyone is educated about the Code of Conduct and the reasons it is so important to uphold, the College environment becomes much more transparent and people are accountable for their behaviour. Above all, a Child Safety Code of Conduct helps to protect children from harm.

The Child Safety Code of Conduct set out below is designed to stand alone. The Code is made available to all staff, volunteers, hirers of facilities under the control of St. Francis Xavier College, families and students. A PDF version of our Child Safety Code of Conduct is available [here](#)

Our Child Safety Code of Conduct

This Code of Conduct has a specific focus on safeguarding children and young people at College against sexual, physical, psychological and emotional abuse or neglect. It is intended to complement other professional and/or occupational codes. Where a staff member breaches the Code, St Francis Xavier may take disciplinary action, including in the case of serious breaches, summary dismissal.

All staff, volunteers, contractors, clergy and board/school council members at College are expected to actively contribute to a school culture that respects the dignity of its members and affirms the Gospel values of love, care for others, compassion and justice. They are required to observe child safe principles and expectations for appropriate behaviour towards and in the company of children, as noted below.
